Why Mycology Nutrition

CULTIVATED WITH CARE

Grown on organic oats in California. Every batch is tested for purity in certified US and German laboratories.

TRADITIONAL PAIRINGS

The coffee blends pair mushrooms with familiar botanicals chosen from long traditional use.

CHOICE MADE CLEAR

Ten mushrooms, three coffee blends and practical formats make the range easy to compare.

NOTHING EXTRA

No fillers, additives or artificial ingredients. Only the ingredients shown on the label.

Choose the format that fits your routine

Mix into drinks or food.

FROM €28.89

COFFEE BLENDS

60 g · 15 servings

Brew as you normally would.

EACH €22.37

USING MYCOLOGY NUTRITION

Follow the directions on the label. Do not use if you have a mushroom allergy. Tell your healthcare professional about medicines and supplements you take, and seek advice if you are pregnant, breastfeeding or managing a health condition. Coffee blends contain caffeine.

Deborah Hoey +353 (85) 748 6575 www.aillehealth.ie

Food supplements should not replace a varied diet and a healthy lifestyle. They are not medicines. Product information from Mycology Nutrition, September 2026.

Product guide: mushrooms & coffee

Description, best use, codes and prices for all 33 Áille products

How to read this page: the description explains the product, and "Best for" suggests a daily routine, not a medical benefit. Always follow the product label. Prices include VAT.
